

February 14, 2022

Hello Discount Tire Family,

The Safety of Our People and Customers is always our first consideration.

**Effective immediately**, Discount Tire will follow all local and state requirements regarding mask mandates. If there are no mandate requirements in your area, you are no longer required to wear a mask.

**What you need to know**

- All Discount Tire regions should review their County Health Departments website for mandate information.
- Employees may continue to voluntarily wear a mask if they choose.
- Masks are available and can be ordered from the KC.

**IMPORTANT:** All employees should have a mask with them. If a customer requests that you wear a mask, please honor their request.

If you have any questions, please submit via the Questions and Feedback button located on the [Coronavirus](#) page on the KC.

Thank you for your continued efforts to be the BEST! Please take care of yourself and each other.

We do this Together!
