

## Customer Lounge Updates - 2022

### Remove COVID Materials

If your jurisdiction allows it, you can remove these COVID materials:

- Sneeze Guards
- Floor Decals
- Social Distancing posters
- Customer Water signs
- Clean, Cover & Contain Sign
- Mask signs

### Removing sneeze guards

These instructions cover the most common type of sneeze guard in use at DT/AT stores. Follow these steps to remove the sneeze guards:

Step	Action
1	Unscrew $\frac{3}{4}$ " thumb screw on the underside of the countertop
2	Place each sneeze guard into a tire bag and tie it up
3	<p><b>IMPORTANT:</b>  <u>DO NOT</u> throw your sneeze guards away.</p> <p>Store your sneeze guards somewhere they will not get damaged.</p> <p>The NEW sales pod is designed with a storage area, shown here. After removing the sneeze guard, please keep it here for safekeeping</p>
