

# Black History Month

February 2023

## DID YOU KNOW

**McKinley Thomas, Jr.** was the first Black American designer hired by Ford in 1956 and inspired the creation of their Iconic 4x4 Bronco, along with contributing to the design of the Mustang and GT40 race car.

**Wendell Oliver Scott** was the first Black American NASCAR driver. Scott was known for using hand me down and junkyard parts on his vehicles and placed in the top 10 of 147 races. He was inducted into the NASCAR Hall of Fame and they currently display his self-built 1962 Chevrolet.

## LEARN MORE

We encourage everyone to make a goal to learn more about Black History Month. Visit the [National Museum of African American History and Culture](https://www.nmaahc.org/).
