Hello Store Managers and Stores,

In partnership with Yokohama, we're excited to bring you a Learning Interaction for their newest tire: The **YK-GTX**.

### What you need to know

- This Learning Interaction provides information on the Discount Tire-exclusive Yokohama YK-GTX to help you understand the features and ratings that will go into our Treadwell recommendation.
- The Learning Interaction will be available until **Thursday, August 31**, and all employees who complete it will receive a free pair of limited-edition YK-GTX socks.
- Yokohama will also be giving away 2 sets of 4 tires each month for the next 6 months through a random drawing of employees who complete the Learning Interaction.
- The Learning Interaction can be accessed by clicking the following link: [YK-GTX Learning Interaction](#).

**IMPORTANT:** When signing in to the Learning Interaction, each employee must provide the following information:

- Their 6-digit Employee ID
- Region (Must be entered as the 3-letter region code (**Example:** AZP))
- Store Number (Must be entered as 5 characters, without spaces (**Example:** AZP99))

### Our ask of you

#### Store Managers:

- As time permits, please share this information with your people so they can have the opportunity to complete the Learning Interaction before it closes on **Thursday, August 31**.

If you have any questions, please use the KC Feedback button on the homepage.

Thank you for striving to be the BEST!
