

## How to Contact the Information Center

The Information Center provides computer support to the corporate office, regional offices, DTD, retail stores and warehouses. Our mission is to provide a centralized source of prompt, technical support for computer hardware/software issues, company-wide, in a courteous and professional manner. Below you will find how to contact the Information Center:

### Corporate/Regional/DTD:

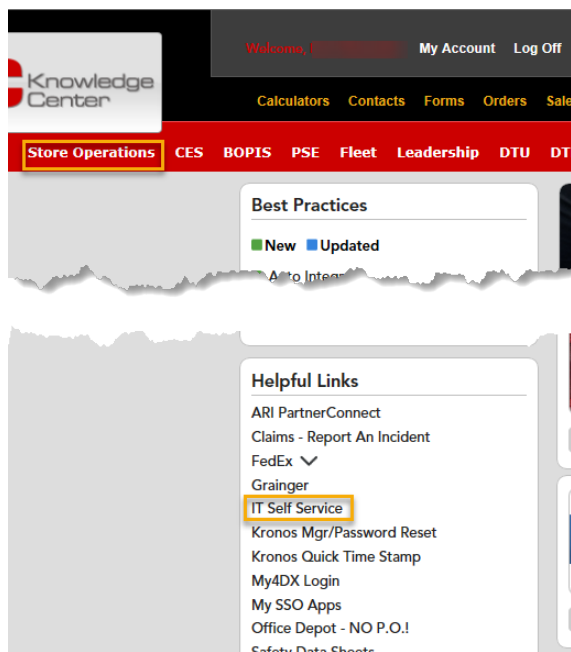

(877) DTC-INFO (382-4636) or (480) 606-6008 (local)

### Store/Warehouses:

(800) 366-4399

-OR- you may send a **non-urgent** email to the information center at [support@discounttire.com](mailto:support@discounttire.com)  
(Stores must copy and paste or type this address.)

-OR- for **non-urgent** issues you can click the **Store Operations** tab, scroll down to the **Helpful Links** section and click the **IT Self Service** to **Get IT Help** or **Order Something**.

### Return Equipment to:

The Reinalt-Thomas Corporation  
Asset Management  
2070 West Alameda Drive  
Phoenix, AZ 85085
