

## California Consumer Privacy Act (CCPA)

---

### Introduction

The state of California passed a new privacy regulation called the California Consumer Privacy Act (CCPA).

This law went into effect on January 1, 2020 and provides certain new rights to customers and employees who reside in California related to their personal information and privacy around that information.

America's Tire is fully compliant with this law. This document explains what to do if you or your customers have questions about this law or their personal information.
