

August 19, 2022

Hello Discount Tire Family,

To help improve the company's mobile phone / tablet security and privacy, the Discount Tire Cyber Security team would like to ask you to please ensure your device is on the latest software version.

**What you need to know**

- These devices regularly have updates published to provide beneficial features, bug fixes, and responses to discovered attacks that can disclose both work and personal data.
- The latest Apple iOS, iPadOS, and watchOS was released on August 17, 2022.
- Google Android devices have updates released per-device, so please check, and ensure they are current.

We appreciate your time in ensuring these devices are kept up to date and secure. We also encourage you to consider a similar practice for your personally owned devices.

Thank you for being the BEST!
