

## Because of You, Life Doesn't Stop

Every two seconds, someone in the U.S. needs blood. This could be a little girl in the ICU or a mother with Stage 3 leukemia. If you're worried about needles, don't be—most blood donors compare the experience to a mild, split-second pinch! The entire process is very safe and very fast, and you will feel amazing knowing you potentially saved up to three people.

Our quarterly blood drives are conveniently located at Discount Tire Direct and Reinalt-Thomas Corporate office for Our People to donate in a safe and easy manner. We always make it fun with snacks, give-a-ways, and great volunteers!

Please reach out to our blood drive coordinator Carrie Jankowski @ [Carrie.janksowski@discounttire.com](mailto:Carrie.janksowski@discounttire.com) for any questions.
