

TAHOE EVENT

Every year members of the Executive Health and Company Wellness team attend OUR Tahoe Event to ensure the safety of our People. This event is also an opportunity to introduce all of the wonderful resources and services we provide. These resources and services are designed to better assist our People during a health crisis, help with navigating our health care system, and creating an overall seamless patient experience.

We are available to ALL Discount Tire employees and their family members.

**Please stop by to say hello at the next Tahoe Event.
We look forward to meeting you!**
