

## ASN Tracker

### **Description:**

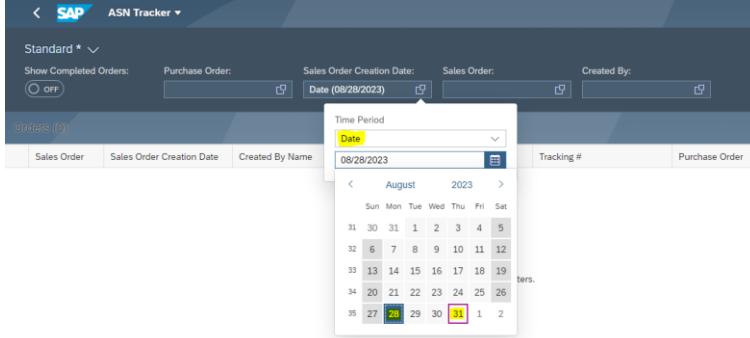

This process is to track special orders going to the DC, to make sure they deliver and ship correctly.

### **Guidelines:**

We must wait 48hours from the time a PO is made, to follow up with the vendors for tracking. In FSA, Delivery tracking = the DC Tracking # & PO tracking = the vendor's tracking # going to the DC. You will need the following systems:

- FSA
- FedEx – logged in
- [Vendors excel sheet](#)
- [ASN Tracker excel sheet](#)

### **Process:**

STEP	ACTION
<b>Begin by Following up on orders already added to the sheet:</b>	
1	Open the <a href="#"><u>ASN Tracker excel sheet</u></a> & check column E “Follow-Up Date” to see if there are any orders you need to follow up on today
2	If there are – search the tracking number to check the shipment status and make sure it delivered, or will deliver to the DC on time  If there are any delays – update the sheet notes & follow up date accordingly
<b>Adding new orders to the sheet:</b>	
3	Open the ASN Tracker tile in FSA. Under “Sales Order Creation Date” set the time period to “DATE”. Then click the calendar icon and select the date from 3 days ago ( <i>accounting for the weekend if it's a Monday</i> ) Click <b>Go</b> 

4	A list of PO's will populate. <i>We do NOT need to do any MGP orders, or other accessories, so you can skip over those</i>																																																																																																																								
<b>Note:</b>	<p><i>To the far left of this list in FSA, there will be orders marked blue &amp; red.</i></p> <p><b>Blue</b> = Special Orders (these will be the orders you need)</p> <p><b>Red</b> = Drop Ship Orders (skip these)</p>																																																																																																																								
5	<p>Picking up from the last date in the "Orig. order Date" column on the sheet, add any new applicable orders from the FSA list by entering the FSA order # and PO # to the log</p> <table border="1" data-bbox="463 523 1416 895"> <thead> <tr> <th>Orig. order Date</th> <th>Order Number</th> <th>PO Number</th> <th>Tracking #</th> <th>Follow-up Date</th> <th>Notes</th> </tr> </thead> <tbody> <tr><td>7/31/2023</td><td>108898</td><td>4727310451</td><td></td><td>8/30/2023</td><td>Wheels on back order till 8/30</td></tr> <tr><td>8/8/2023</td><td>110643</td><td>4727397154</td><td></td><td>9/8/2023</td><td>Tires on b/o-ETA 9/8</td></tr> <tr><td>8/10/2023</td><td>111087</td><td>4727474214</td><td>1Z91849X0324641325</td><td>8/22/2023</td><td>Emailed DC to post goods</td></tr> <tr><td>8/11/2023</td><td>5010018229</td><td>4727432729</td><td></td><td>9/1/2023</td><td>B/O 3-4 weeks from 8/11</td></tr> <tr><td>8/11/2023</td><td>5010076067</td><td>4727451493</td><td></td><td>9/1/2023</td><td>B/O 3 Weeks from 8/14</td></tr> <tr><td>8/15/2023</td><td>5010043443</td><td>4727484618</td><td></td><td>8/29/2023</td><td>B/O 2-4 Weeks from 8/15</td></tr> <tr><td>8/16/2023</td><td>112489</td><td>4727484588</td><td></td><td>9/21/2023</td><td>B/O until 9/20</td></tr> <tr><td>8/20/2023</td><td>5010173458</td><td>4727538155</td><td>12a9392203018553862</td><td></td><td>Emailed DC to assist in getting delivery doc</td></tr> <tr><td>8/20/2023</td><td>5010173497</td><td>4727534504</td><td>782811697361</td><td>8/25/2023</td><td>Scheduled to deliver to DC 8/24</td></tr> <tr><td>8/20/2023</td><td>5010291068</td><td>4727534556</td><td>580119435979</td><td>8/25/2023</td><td>Scheduled to deliver to DC 8/24</td></tr> <tr><td>8/21/2023</td><td>5010177478</td><td>4727539194</td><td>619056196420</td><td></td><td>No ETA yet</td></tr> <tr><td>8/24/2023</td><td>5010418071</td><td>4727589319</td><td></td><td></td><td>Vendor said this should be shipping today</td></tr> <tr><td>8/25/2023</td><td>114618</td><td>4727602514</td><td></td><td>9/5/2023</td><td>Tires on B/O</td></tr> <tr><td>8/25/2023</td><td>114634</td><td>4727602024</td><td></td><td></td><td>Has not left warehouse.
