

Preparation

- Once the learner has completed the course (approx 15 min), take them to the Service Area.
- Your goal is to provide context and reinforce the information provided in the course.
- If you are unfamiliar with any of the course content, please revisit the module for clarification prior to conducting this mentorship session.

Discussions

After the module, discuss:

- | | |
|---|--|
| <input type="checkbox"/> What to do when each lug condition is found | <input type="checkbox"/> What to do when each hub condition is found |
| <input type="checkbox"/> What to do when each stud condition is found | <input type="checkbox"/> What to do when each wheel condition is found |
| <input type="checkbox"/> What to do when each tire condition is found | <input type="checkbox"/> What to do when each TPMS condition is found |
| <input type="checkbox"/> Most common conditions found in your store | |
