

CALL TO ACTION – MAKING DREAMS COME TRUE

Disciplined Servant Leadership to Accelerate Leading Change

I will continue to Learn and Grow by Activating DTMS through my People

I will take the responsibility of making sure the Puzzle Pieces are in place using the Manager GO SEE Audits

I will use the AOR GO SEE Audits to WIN the Day, Store Business Review (CTA) to WIN the Month, and LEAD to WIN the Year which provide the tools to Make More Dreams Come True

I will demonstrate taking disciplined action, while working through the Guardrails with a greater sense of urgency and purpose, to drive my business
