

SERVANT LEADERSHIP

Servant Leaders are humble, genuine, selfless, and serve the needs of their people before their own.

They show this by:

- Ensuring integrity in all things
- Building high-trust relationships
- Investing time to understand the needs of their people
- Teaching rather than dictating
- Clarifying why we do what we do
- Modeling their expectations
- Embracing problems as gifts to get better
- Engaging their people to solve problems

People follow Servant Leaders because *they want to*; not because they have to.
