

Preparation

- Print this guide and the Best Practices.
- Once the learner has completed the course (approx. 20 min.), take them to a service bay that is not being used by a workcell.
- Your goal is to provide context and reinforce the information provided in the course.
- If you are unfamiliar with any of the course content, please revisit the module for clarification prior to conducting this mentorship session.

Discussion

After the module, discuss:

- ☐ Verbal commands
- ☐ Raising process
- ☐ Checking under and around vehicle for tools/debris
