In order to purchase your new Challenger Lift, you will need to understand the following:

- Product Delivery – Challenger Lifts are shipped via flatbed truck or commercial carrier, you will need a way to offload the lift.
- Our carrier, will provide a 24 hr call prior to delivery. If you would like to have your lift installed by a Challenger Authorized installer, please contact the factory at 800-648-5438; extension 707 and we can provide you with a local installer in your area.
- Challenger will accept a credit card for payment and this information can be taken over the phone at the time of shipment.
