

Personalized health recommendations, just for you.

Rally® can help you get healthier, one small step at a time.

Rally is designed to help you make changes to your daily routine, set smart goals and track your progress. You'll get personalized recommendations to help you move more, eat better and improve your health—and have fun doing it.

Start with the quick Health Survey and get your Rally AgeSM, a measure to help you assess your overall health. Rally will then recommend missions for you: activities designed to help improve your diet, fitness and mood. Start easy, and level up when you're ready.

Plus, on Rally there are lots of ways to earn Rally Coins, which you can use for chances to win rewards. Rack up Rally Coins for taking healthy actions, like joining missions, completing healthy activities, or pushing yourself in a Challenge.

Rally is available at no additional cost to you, as part of your health plan benefits.

Rally Health provides health and well-being information and support as part of your health plan. It does not provide medical advice or other health services, and is not a substitute for your doctor's care. If you have specific health care needs, consult an appropriate health care professional. Participation of the health survey is voluntary. Your responses will be used in accordance with law to provide health and wellness recommendations and to conduct other plan activities. Your Health Age is based on self-disclosed information, including any applicable biometric screening data.
