AVP Apprentice Assessment Event:

- Predetermined location that will support uninterrupted execution of CES and coaching.
- Use Rylo or Go-Pro for observation as an option.
- AVP will use The Customer Experience LEAD ACTIONS CHECKLIST for auditing.
- Coaching will take place after completion of each customer. Apprentice will get to review the experience and have a chance to speak to their execution first.
- Each coaching session will be catered specific to the individual and where they are on their journey. Avoid a check list mindset on the review.
- Celebrate the WINS!
- Provide the store manager feedback from the assessment(s) for promotion and / or continued training.
- Tie back to Who We Are and What We Do.
