

SAFETY QUALITY FOCUS

AUGUST
2023

LET'S GET YOU TAKEN CARE OF[®]

DISTRIBUTION CENTERS

This year, we will be working with you to encourage safety participation from everyone at your location.

ACTION ITEMS

- 1 Complete the DTU training
- 2 Review and share the safety topic with your people
- 3 Leave feedback

INSTRUCTIONS

In the following pages, you will see an AOR icon that corresponds to the section for that AOR. We have set aside actions for the different AORs to complete in this communication.

- 1 Print out this Focus, review the information, and **complete the action items**.
- 2 Each section has action items to help you and your team complete this Safety Focus. **Review each section carefully.**
- 3 Each Safety Leader will need to **complete the DTU training module** for the month. You will be required to complete a course test following the training module.
- 4 Once all the action items are completed, **have a group discussion** about your findings and answer your feedback questions as a team.

FEEDBACK ON THIS MONTH'S TOPIC

All feedback must be submitted through the Safety Feedback Portal.

Safety Leader: You will find the feedback questions at the end of this Safety Focus.

DTU: Forklift Operation 1: Safety Inspection and Maintenance

In this course, you will learn when and how to inspect a forklift and what to do in the event an equipment problem is discovered. You will also learn the necessary precautions to take and procedures to follow when refueling gasoline, diesel, and propane-powered forklifts and when changing or recharging battery-powered units.

ACCESS TO THE TRAINING MODULES

This month, you will be accessing the course through DTU. Managers and Senior Assistant Managers will both access the course assignments (safety course and acknowledgements) from the **DTU learning system To-Do List**.

Below, you will see an example of how this assignment will look:

1. Log into the DTU learning system using your employee ID and Okta/Windows login. On the homepage, click Finish Your Courses.
2. Click the name of the safety course you have been assigned.

Call to action: Complete the **DTU: Forklift Operation 1: Safety Inspection and Maintenance** training module and share what you learned with your people.

Contact dtu_learning@discounttire.com for troubleshooting.

FEEDBACK ON THIS MONTH'S TOPIC

1. What did you learn from the training module **DTU: Forklift Operation 1: Safety Inspection and Maintenance**?
2. How will you make sure your people understand the material in its entirety?
