

Rivian Partnership OBP

To help us achieve our Mission of Making More Dreams Come True, we have partnered with Rivian to be the approved installer for all tires, wheels, and wiper blades for their Rivian EDVs (Electric Delivery Vehicles).

Intent

To help make this partnership successful and continue to deliver on our Safety Strategy by building a successful Business-to-Business (B2B) relationship with Rivian, it is critical that all Rivian vehicles are properly serviced in alignment with the [Raising Vehicles Best Practice](#), [Raising Rivian Vehicles QRG](#) and the [Raising Rivian Electric Delivery Van \(EDV\) Vehicles QRG](#).

Program Details

Rivian EDVs are invoiced on fleet accounts and will either be on **Element ACCT# 29892** or **LeasePlan ACCT# 31448**. Repair orders must be submitted in Auto Integrate.

Recommendations

The following tires are Approved by Rivian:

Ranking	Tire Brand	Tire Size	Article #
