

Used Tires

Inspect your used tire inventory to ensure that all used tires meet these guidelines.

CRITICAL TO
SAFETY

- Used tires may only be accepted if they are dismounted from the same vehicle on which we are installing new tires. Loose/carryout tires cannot be accepted.
- Confirm that all used tires accepted for resale meet these standards:
 - Must have been repaired only by DT/AT stores
 - No signs of tire sealant
 - Tire cannot be part of any known recall or customer satisfaction program
 - No defaced or removed DOTs; no cuts or abrasions
 - Tires cannot be more than four (4) years old
 - Tread must be at least:
 - 5/32" tread for P-metric sizes
 - 7/32" for light truck

The Whys

- Our first priority is the Safety of Our Customers
- Used tires are another way we offer our customers More Choices, Low Prices
- We limit the age of used tires to 4 years based on recommended replacement at 6 years old.
