

Moving Customer Vehicles in the Parking Lot

**CRITICAL TO
SAFETY**

A valid driver's license is necessary to move vehicles.

- Always be aware of your surroundings as you approach the vehicle
- Adjust the seat and mirrors so you can see behind and beside the vehicle
- Remember to check your blind spot – Be aware of objects around you
- Make sure your path is clear to drive
- Backup slowly!
- Be aware of the front of the car while backing out
- Remember, there is not a guide! Take extra care to be aware of your surroundings.
- Do not play with the radio or use your phone while operating the vehicle.

**CRITICAL TO
QUALITY**

- Perform a visual inspection around the vehicle for hazards
