## Getting Started

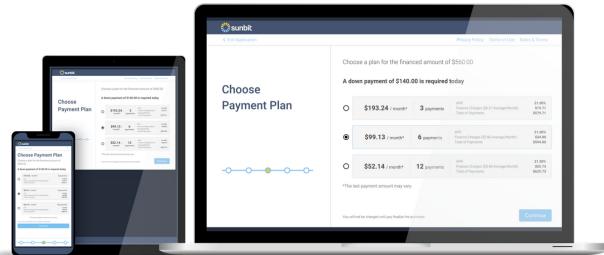

If you're interested in access to financing powered by Sunbit technology, a Discount Tire associate can provide you with a self-service application link.

## What You'll Need

- Name, address, & date of birth
- Mobile number & email address
- Bank-issued debit card & SSN

## Use Any Wireless Device

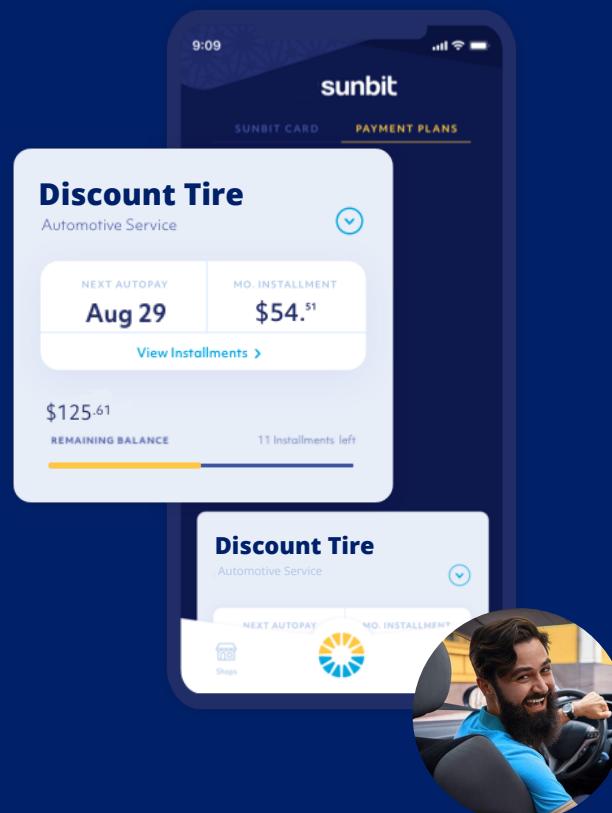

## Transforming the way you pay.

We help you buy what you need without stress. Choose from 3, 6, or 12-month flexible payment plans.

## Easy tools to manage your plan.

Adjust payments, view activity, or pay off early. You are in the driver's seat.

## Got questions? We have answers.

### Is there a credit check?

When applying, a soft credit check is performed, which helps determine if you are eligible. A soft credit check does not impact your credit score.

### Do I have to pay anything up front?

Yes, you are required to make a down payment when you are finalizing your purchase. This down payment goes toward your total purchase amount.

### I've already used Sunbit technology, can I add a new purchase to my existing account?

Every time you finance a purchase using Sunbit technology, you enter into a new loan agreement with your lender. You may have several loans at a time, but they will all be separate contracts with their own monthly payments. These cannot be combined. If you want to make a new purchase using Sunbit technology, you will need to re-apply.

### How do I make my payment?

With your authorization, your payments are automatically debited or withdrawn on the due date you are assigned when completing your purchase and will be processed with the debit card you used for your down payment or with the account and routing number you provided. You can call Sunbit Customer Support at 855-678-6248 or manage your Sunbit payments online at [my.sunbit.com](http://my.sunbit.com) to update or change your payment information. If you want to make an early or additional payment, you can call us or go online as well. There is no fee for making early or additional payments.
