## FLOOR JACKS

### REBUILD/REPLACEMENT PROGRAM

It has been determined rebuilding jacks is not a cost effective alternative to purchasing a new jack.

Rebuild kits and replacement pumps will no longer be available for purchase.

We should only perform normal maintenance on jacks (i.e. replacing wheels, clip rings, fluid, handle bolts, etc.)

If you have any questions regarding this issue please contact [DTC\\_Equipmentquality@discounttire.com](mailto:DTC_Equipmentquality@discounttire.com)
