## FEDERAL TIRES RECALL

PRODUCT AFFECTED: **FEDERAL COURAGIA A/T**  
**P265/75R16 116S**  
**DOT UX77 3210 TO 0813**

PRODUCT CODE: MISC

REASON: These tires experience tread chunking in the shoulder and are non-compliant to NHTSA requirements.

**This is product that may have been purchased from a wholesaler and installed. If you encounter any of these tires remove them as a normal recall and contact the Technical department for return procedures.**
