

Enterprise Rent-A-Car

What you need to know

Discount Tire/America's Tire will be servicing their tire and wheel needs through our store locations.

Enterprise RAC: Is set up to use the Auto Integrate platform for maintenance approvals. Follow [Auto Integrate Best Practices](#).

Read Rates and Rules before submitting an RO through Auto Integrate.

NOTE: If you are experiencing long approval wait times with the Enterprise Rental accounts through AI, send an email to nsdehi@efleets.com.

- In the subject line: reference the RO # and the last 8-digits of the VIN.
- In the email body: ask for a quick review.

Identifying customers

Identify Enterprise vehicles by the branded key fob or vehicle rental agreement. Vehicles will be delivered in two ways:

- Enterprise employee – Employee will have a six-digit branded key fob.
- Enterprise customer – Customer will have a branded key fob or vehicle rental agreement.
- When performing the Service Benediction for Rent-a-Car vehicles, Discount Tire/America's Tire employees should identify the Enterprise employee or customer by the branded key fob or vehicle rental agreement.
- It is critical that we verify that the name on the Enterprise employee/customer's Driver's License matches the information in Auto Integrate when performing the Return Authorization.

IMPORTANT: If the employee/customer's name does not match what's shown in Auto Integrate, please contact your local Enterprise branch for approval to release the vehicle.
