

Service Professional Opportunities

Discount Tire will be offering new opportunities to employees who can work at least 35 hours per week on a consistent basis, 5 days a week, 7-hour shifts. Working as a Service Professional offers benefits such as medical, dental, and vision with paid time off.

All part-time employees will be asked to complete the Service Professional Interest Survey on the **Project Imagine** page where you'll be given an opportunity to indicate your interest in being considered for a Service Professional role.
