

Policy and Procedure Manufacturer Employee Rebate Program

Policy

ALL full and part-time employees and their spouses are eligible (unless noted by the manufacturer).
Excludes Store Manager charges.

The following applies:

- The employee or their spouse **MUST** have financial ownership of the vehicle.
- Rebates **MUST** be filed within **four months** after the date of purchase.

IMPORTANT:

- Store Manager must approve excessive trade-in allowances by signing the invoice and noting the trade-in is acceptable before submitting the rebate request.
- It is preferred that purchases of tires be in sets of four.
- Invoices with unusual circumstances will be forwarded to a Senior Vice President for approval before rebate processing.

Rebate Calculation

Supplier rebates are calculated by the Accounts Payable Department and are refunded to the employee through Payroll. Sales invoices should reflect the "employee" cost.

Promotional rebates

Employees may also qualify for limited time promotional rebates from manufacturers.

[See more information about promotional rebate offers currently available here.](#)

Refund

It takes approximately 8 weeks for rebates to be processed.

Rebate payments will be processed through Payroll and added to your pay slip once Accounts Payable receives and processes the credit from the vendor.

Rebate Status

After 8 weeks, you can check the status of your rebate by filling out the

[Employee Rebate Status](#).
